Hailing Frequencies are Open.....

On behalf of the Regional Coordinator of Region One, the Vice Regional Coordinator, and the entire Region One staff, we would like to thank your chapter and for all the wonderful things that you have done this past year. We would ask that of you continue and perhaps expand your endeavors to help Region One stand at the forefront of Star Trek Fandom.

STARFLEET Region One is fortunate to have dedicated, talented, hardworking Star Trek fans such as your chapter, and we like to take time to acknowledge your good works and dedication to your community, Region One and STARFLEET. We would also like to encourage you in continuing making positive contributions that enables the First Fleet to be the best region in the STARFLEET, as well as help inspire other members and chapters, and regions of the fleet to do the same. We are fortunate to have your chapter as an asset to the region, and we hope that your engine core remains at full power and your glory will continue to shine, so that others can see your good works. As Regional Awards Director, I would like to encourage your chapter to utilize all the Regional and Fleet programs that exists for the benefit of your chapter and crew so that you can share your adventures and Trek fandom with others.

I would also like to encourage your chapter to submit entries to the Annual Regional Awards. The Deadline is February 13th, 2003. Almost all the entries may be done on-line listed under each award (Awards Listing) on the awards site
